

**FACULTY OF EDUCATION STUDIES AND SOCIAL WORK DEPARTMENT OF PEDAGOGY,
ARTS AND SOCIAL WORK**

INVITATION

to participate in an international scientific - practical conference

"THE INTERRELATION BETWEEN SOCIAL WORK AND INCLUSIVE EDUCATION: NATIONAL AND INTERNATIONAL EXPERIENCES"

The conference will be held on May 18th, 2023 (Thursday) at Marijampole University of Applied Sciences (P.Arminas str. 92, LT-68125, Marijampole). For conference registration click here:

<https://forms.office.com/e/prHtX7i172>

The aim of the conference is to bring together researchers and practitioners for a joint discussion on the interrelation between social work and inclusive education in assisting children with special educational needs in Lithuania and abroad.

CONFERENCE SUB-THEMES:

- * Topical issues in education and social welfare policy;
- * Organising support for children with special educational needs;
- * Links among education, empowerment, employment and community life in the context of social inclusion;
- * The effectiveness of inclusive education methods application;
- * Measures to promote social inclusion in a context of change;
- * The role of childcare providers in inclusive education.

Conference languages: Lithuanian, English.

There will be a possibility to give presentations remotely.

Conference starts at 10.00 am.

Registration starts at 9.00 am.

Certificates will be issued to speakers and participants.

The conference attendance fee is €5 (for those who wish to receive certificates). Speakers are free of charge.

Submitted papers will be peer-reviewed and published in the Conference Proceedings with ISBN code.
